CONTACT PERSON: Dr. Freya Martin

PRODUCTION: n. a. (70 % white, 30 % red) HECTARES: 13,5

FAIRS: VieVinum

DISTRIBUTION PARTNERS: On request

Innovation, obstinacy and just a touch of madness are the ingredients that make up the wines of Michael P. Martin. This passionate vintner cultivates 13.5 hectares of vineyards with classics such as Grüner Veltliner and Zweigelt as well as Burgundian varieties. Since the end of the 1980s Pinot Blanc, Chardonnay and Pinot Noir have thrived in prime sites in the Hausberg, Sonnberg and Galgenberg vineyards. Here these varieties find ideal preconditions not only in the micro-climates, but also in the loam, loess, limestone and chersonom soils. His chosen path and dedication to the capricious Burgundian varieties has not always been easy. Despite this, Michael Martins dedication and pioneering work for the region has been rewarded by international recognition.

Together with his friend and colleague Werner Hauser from Poysdorf, Michael Martin established a wine series called FRIENDS in the year 2000. This series includes a Grüner Veltliner, a red blend and a dry sparkling wine. A further joint venture has been managing the vineyards of the internationally renowned artist Hermann Nitsch. From this project, a light Gemischter Satz (traditional field blend) is bottled in 2 liter bottles, naturally with a label from the artist's own hand.

91 Weinviertel DAC Reserve 2009

90 Grüner Veltliner Friends 2008 Martin/Hauser
Pale green-yellow. Apple and herbs with peppery spice, orange zest and minerals. Full-bodied with sweet white fruit, a firm texture and refreshing acid structure. Delicate pear remains long on the finish of this very culinary wine. Good aging potential.
